Johnnette Benkovic is executive producer and host of "The Abundant Life" television program, seen internationally on EWTN, and host of "Living His Life Abundantly" and "Moments of Truth Live" radio programs. She is a popular conference speaker, retreat master, and seminar presenter and has been published in a number of Catholic periodicals. Johnnette has written several books on topics including prayer and spirituality, authentic femininity, conversion, and the dangers of the new age movement.

After years of being a non-practicing Catholic, Johnnette experienced a deep conversion back to her Catholic faith in 1981 and discerned a call to share the Gospel message through the media. Since then, she has been a consistent presence in Catholic radio and Catholic television.

Johnnette was married to her husband, Anthony, for nearly 34 years and became widowed in 2007. She is the mother of three adult children, two living.

Don't miss this opportunity to hear and meet this woman of incredible faith.
